General advice

If symptoms persist, call a physician.

Eye contact

Immediately flush with plenty of water. After initial flushing, remove any contact lenses and continue flushing for at least 15 minutes. Keep eye wide open while rinsing. If symptoms persist, call a physician.

Skin contact	n contact Immediate medical attention is not required. Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If skin irritation persists, call a physician.			
Inhalation	ation Immediate medical attention is not required. If symptoms persist, call a physician. Move fresh air in case of accidental inhalation of vapors or decomposition products.			
Ingestion	Clean mouth with water and drink afterwards plenty of water. Never give anything by mouth to an unconscious person. Call a physician. Do NOT induce vomiting.			
Self-protection of the first aider	Use personal protective equipment as required.			
Most important symptoms and effe	ects, both acute and delayed			
Symptoms	See section 2 for more information.			
Indication of any immediate medica	al attention and special treatment needed
